League Rules:

Shin guard play is mandatory at all times.

Any player who receives a red card serves a mandatory 3 week suspension from all Hat Trick leagues.

Should a fight occur on the field, no players from a bench may enter the field, or the entire team may be permanently banned from all Hat Trick leagues.

Full payment is due for the session by the first game.

Refunds are not available to any suspended players or teams. In the event of a points tie, the team with the highest goal average wins first place.

Captains are responsible for their team roster.

If a player enters the field whose name is not on the roster, that team forfeits the game. No roster changes are permitted during the last 3 games of the season.
